Although the abovementioned is the current level of turnover and is closely related to the economic indicators, it may be more or less in the future. Consequently, this certificate does not serve as a guarantee that the income reflected will continue at the same levels. Where the entity is a start-up enterprise, this QSE Certificate is valid only for contracts with a single value of less than or equal to R50 million. Should the contract value being tendered for be higher than R50 million and less than R50 million a B-BBEE Verification Certificate based the Generic Codes must be submitted.

Based on our procedures, which do not constitute an audit or review, we have determined that the turnover is less than, or equal to, < R50 million and that the level of black ownership is at a level 1.

We do not accept or assume responsibility to anyone other than the above named client, for our work, for this report, or for the conclusion we have reached.
